*\* In accordance with regulation 8 of the Education (Pupil Registration) (England) (Amendment) Regulations 2016 which specifies the grounds under which schools can lawfully remove a pupil's name from their admissions register.*

The effective sharing of information between schools and local authorities is crucial to ensuring that all children & young people of statutory school age are receiving a safe and suitable education. Under the amended 2016 regulations all schools (including Academies, Free and Independent Schools) are required to inform the LA as soon as possible when they are about to delete a pupil's name from the admission register, including providing details of the pupil's residence, the person with whom they will reside, the date from which they will reside there, and the name of the new destination school – and this includes internal BwD transfers.
